- Classes are workshops that introduce students to each topic. They run one day per week for 10 weeks starting every school term. Students complete additional self-paced tasks at home as well as theory assessments and a placement. Classes run from 9.30 to 2.15 to cater for school drop-off and pick-up.
- Online students can enrol and start at any time.
- See website for details including flyers for each mode (distance / class).
- Weekly webinar catch-ups are available to all students regardless of mode.
